UNIVERSITY OF MARYLAND

COLLEGE PARK 20742

VICE CHANCELLOR FOR STUDENT AFFAIRS

OFFICE OF GREEK LIFE
454-2736

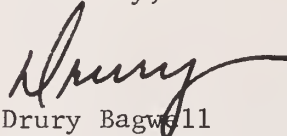

Greetings to all Greeks -

It's with a great deal of pleasure that I write this introductory letter for the revival of the Frieze. More than an "annual" of the Greek system, the Frieze represents the unity of our system in 1975. For maybe the first time in the history of Greeks at Maryland, we are united in common goals and ideals. I'm very proud of all you have done to make this possible.

The past year has been a very gratifying one for me, and all of you have been really tremendous to work with. Because of your efforts and the dedication of our leaders, we are well on our way to making this system one of the best in the nation. Let's just keep up the work during the coming year.

Lastly, I want to thank you for all of the support that you have given me in the past year. You have made my job as exciting and rewarding as possible. I'm proud to be a Greek at the University of Maryland!

Sincerely,

Drury Bagwell
Director - Greek Life

*Sometimes, not often enough
we reflect upon the good things
And those thoughts always center right on those we love
And I think about those people
who mean so much to me;
And for so many years,
have made me so very happy
And I count the times I have forgotten to say
Thank you.
And just how much I love them.*

— Carpenters.
